## GENERAL MANAGER REPORT

The role of General Manager of SAAS during 2018 was undertaken by Matt Miles until his departure on 30th August 2018. The General Manager role was not filled until March 2019, when Leo Panzarino stepped into the role.

2018 was a challenging year, with changes introduced including a complete re-structure of the SAAS website and the introduction of Sports TG software (to manage the sporting fixtures rather storing faxed/emailed documents on the website). The use of SportsTG software significantly increased the capability and the visibility of fixtures.

Social media accounts have been continued to be used (Facebook and YouTube) but more resourcing will be needed to make these more functional.

As an organisation there has been little change or improvement over the last 20 years as the organisation has operated on a subsistence level with resourcing at a bare minimum. This accordingly created a great deal of antiquation which will take a great deal of effort and resourcing to update many of the processes that are literally decades behind. The process has also focused on providing full flexibility to school needs with not much concern given to the overall competitions. As a result, there has been little consistency in the competitions and accordingly features that are part of most sporting competitions, such as Premiership Tables and Finals.

SAAS will work to better resource itself as an organisation and enhance its processes and structures to create more consistent and meaningful competitions that will better service its member schools in the future.

The 2018 Financial Report for the Sports Association for Adelaide Schools is enclosed.

As per the constitution the General Manager of Executive Officer is the Treasurer of the organisation.

As of January 2018, the financial accounts for the Sports Association for Adelaide Schools changed from cash accounting to accrued accounting and financial software. MYOB was purchased to manage the financial accounts rather than the manual cash book system utilised previously. All payments to employee and any third party were paid in a manner which will meet all requirements with relevant regulatory bodies.

In regard to the financial management the organisation has charged a membership fee per student that participates in each of the teams. In 2017 this was \$10 and was raised to \$11 for 2018. This fee essentially only pays for the current staff member and the overhead costs. Other costs for events or programs are conducted and charged back to the schools as per their participation (e.g. costs of the Achilles Cup are paid first and then each participating school is invoiced back) with a similar model operating for venue hire where required (only required for a few sports as most venues are provided by the respective schools). This is cost effective for members as only the real costs are charged back and provides an efficient model. However, it hasn't allowed for investment into the organisation beyond basic staffing levels.

In general, the finances of the organisation have been conducted in a very lean model. This has provided a very cost-effective service of the member schools however it has also it was not possible to provide any type of service besides basic administrative duties. In building the organisations capability, this provided a challenge as the only means of income currently is charging the members schools.

## **NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 31<sup>st</sup> DECEMBER 2018**

This financial report is a special purpose financial report prepared for distribution to the Board of Management in order to satisfy their financial reporting requirements under the Associations' Incorporation Act of South Australia 1985 and the entities constitution. The Board of Management has determined that the Sports Association for Adelaide Schools (the entity) Incorporated is not a reporting entity, and therefore, there is no requirement to apply Australian Accounting Standards and UIG interpretations in the preparation of these Accounts.

The financial report covers the Sports Association for Adelaide Schools as an individual entity. The Sports Association for Adelaide Schools is an association incorporated in South Australia under the Associations Incorporation Act 1985.

The financial report has been prepared on an accruals basis and is based on historical costs including the going concern assumption and does not take into account changing money values, except where stated. Cost is based on the fair values of the consideration given in exchange for assets.

The Entity has prepared the financial report in accordance with the following applicable Australian Accounting Standards and UIG Interpretations.

AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors

AASB 110: Events after the Balance Sheet Date

AASB 1031: Materially

The following is a summary of the material accounting policies adopted by the association in the preparation of the financial report and are in the opinion of the Board of Management, appropriate to meet the needs of the Board. The accounting policies have been consistently applied, unless otherwise stated.

### **(a) Income Tax**

The association is a Not for Profit body for taxation purposes and has been granted an exemption from income tax by the Commissioner of Taxation.

### **(b) Inventories**

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a specific identification basis and include direct costs and appropriate overheads if applicable. Inventory held is not deemed to be material.

### **(c) Property, Plant and Equipment**

Plant and equipment are measured on the cost or fair value basis. The carrying amount of plant and equipment is reviewed annually by the association to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of the expected net cash inflows that will be received from the assets employment and subsequent disposal. The expected net cash inflows have not been discounted to their present values in determining recoverable amount.

# **SPORTS ASSOCIATION FOR ADELAIDE SCHOOLS INCORPORATED**

## **NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 31<sup>st</sup> DECEMBER 2018**

### **Depreciation**

The Entity currently depreciates its assets in accordance with their useful lives.

### **(d) Leases**

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

### **(e) Investments**

Investments, when made, are measured on the cost basis. The carrying amount of investments is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

### **(f) Employee Entitlements**

Provision is made for the association's liability to employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave (where applicable) which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured on the same basis. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. All revenue is stated net of the amount of goods and services tax (GST).

### **(i) Goods and Services Tax (GST)**

Income, Expenses and Assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. ## **INDEPENDENT AUDIT REPORT**

### **Opinion**

We have audited the financial report of the Sports Association for Adelaide Schools Inc. (the entity) for the year ended 31st December 2018, being the Balance Sheet, Income Statement, Notes to the Accounts and the Statement by the Committee of Management. The Committee of Management of the entity is responsible for the preparation and presentation of the financial report and the information contained therein. In our opinion, the financial report presents fairly the financial position of the Sports Association for Adelaide Schools Inc. as at 31st December 2018 and the results of its operations for the year then ended and complies with Australian Accounting Standards to the extent described in Note 1.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Report section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the report in Australia, and we have fulfilled our other ethical responsibilities in accordance with that Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter – Basis of Accounting**

Without modifying our opinion, we draw attention to the financial statement which describes the basis of accounting. The financial statement is prepared to provide information to the Sports Association for Adelaide Schools Inc. As a result, the financial statement may not be suitable for another purpose.

### **Responsibilities of Management for the Report**

Management is responsible for preparation and fair presentation of the report in accordance with the cash receipts and payments basis of accounting. This includes determining that the cash receipts and disbursements basis of accounting is an acceptable basis for the preparation of the report in the circumstances, and for such internal control as management determines is necessary to enable the preparation of a report that is free from material misstatement, whether due to fraud or error.

In preparing the report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Report**

Our objectives are to obtain reasonable assurance about whether the report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this report. As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

We identify and assess the risks of material misstatement of the report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

When applicable we obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Where appropriate we conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the report or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management. We also evaluate the overall presentation, structure and content of the report, including the disclosures, and whether the report represents the underlying transactions and events in a manner that achieves fair presentation.

We will, where appropriate, communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
