

**CONCORDIA COLLEGE CROSS COUNTRY COURSE
ALSARA SPORTS GROUNDS**

(Park on South Tce, City)

When following the main roads around the parklands, stay to the footpath or at least outside the tree line. As shown, the whole course follows walkways adjacent and parallel to the roads OR sealed footpaths or dirt tracks. Where the course moves away from the main roads, there will be temporary signs (see yellow 'flag' icons on the map) indicating the required change of direction.
